JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

of residence, upon proceeding to their station to assume the office, upon appointment, and for the purchase of medicines, medical supplies, and disinfectants to be distributed among the municipalities concerned for sanitary and other medical purposes, and other incidental expenses for carrying out the purposes of this act: *Provided*, That, if at the close of the fiscal year there shall remain any balance in the health fund provincial boards are hereby authorized to accumulate such balances from year to year for the purpose of establishing hospitals, benevolent institutions in the Province, or of carrying out other permanent sanitary improvements: *Provided further*, That whenever in the course of official service any president of a sanitary division travels to visit or attend any pay client or patient, he shall not be entitled to reimbursement for any traveling expenses incurred in this latter regard, and shall state in a sworn voucher to accompany his claim for reimbursement that the claim does not include any such expense."

Infantile Mortality—Committee to Investigate the Causes of Excessive. (Act 2246, Feb. 11, 1913.)

SECTION 1. Section 1 of act numbered 2116 is hereby amended to read as follows:

"SECTION 1. For the purpose of investigating the causes of the excessive infantile mortality in the Philippine Islands and the methods which should be adopted to decrease it, a committee of five members is hereby created, of whom three shall be appointed by the governor general, with the advice and consent of the Philippine Commission, and two shall be the professor of pediatrics in the University of the Philippines and the professor of pediatrics in the University of Santo Tomas. The committee shall be immediately organized and elect a chairman from among its members, and each member shall receive as compensation 20 pesos for each day of session actually attended by him and when traveling in the Provinces on official business; but if a Government officer is appointed on said committee he shall not receive the per diems provided for by this act: *Provided, however*, That the members of this committee shall be entitled to the same traveling expenses and per diems as bureau chiefs of the Insular Government."

SEC. 2. Sections 3 and 4 of act numbered 2116 are hereby amended to read as follows:

"SEC. 3. The committee is hereby authorized to employ a secretary, who shall be a typewriter and stenographer, and such subordinate personnel as it may deem necessary, and to purchase such stationery and office supplies, hire such transportation and incur such incidental expenses as may be necessary for its work. The committee shall present to the third legislature, during its second regular session, an exact report, in English and Spanish, of its work, with such recommendations and drafts of acts as may be necessary. On the same date the committee shall dissolve and be relieved of its functions.

"SEC. 4. The sum of 20,000 pesos, or so much thereof as may be necessary, is hereby appropriated, out of any funds in the insular treasury not otherwise appropriated, to be expended by the committee for the payment of the per diems and any other necessary expenses for carrying out the purposes of this act."

TEXAS.

Streams, Pollution of—Sewage, Disposal of. (Chap. 47, Act Mar. 27, 1913.)

SECTION 1. That it shall be unlawful for any person, firm or corporation, private or municipal, to pollute any water course or other public body of water, from which water is taken for the use of farm live stock and for drinking and domestic purposes, in the State of Texas, by the discharge, directly or indirectly, of any sewage or unclean water or unclean or polluting matter or thing therein, or in such proximity thereto as that it will probably reach and pollute the waters of such water course or other public body
